## PROJECTS

- **Portfolio website:** Made a sleek and modern portfolio website showcasing a curated collection of creative work. Provides a visually engaging platform to present skills and projects leaving a lasting impression on visitors.
- **“EventPassPro”: Empowering Events with Blockchain:** This project aims to offer a glimpse into a decentralized ticketing system, empowering users to securely store and transfer event tickets using blockchain. It uses MetaMask which is the most widely used cryptocurrency wallet.
- **“ProfitLabs”: Profit analysis and prediction model:** This project aims to unlock the potential of data-driven decision-making. We can seamlessly analyze financial patterns to optimize revenue streams and maximize profitability. Link to the project: <https://tejaswi2505-profit-prediction-model-main-m1n0xs.streamlit.app/>
- **“Equation Euphoria” Android App (Game):** An engaging Android app project designed in Kotlin, specifically tailored for kids. With interactive features and captivating visuals, children can enhance their math skills while enjoying an immersive and enjoyable experience.

## CERTIFICATIONS AND RELEVANT COURSEWORK

- **Android App Development with Kotlin:** by Oak Academy (09/2022 - 07/2023)
- **Datascience Bootcamp-** by Women Who Code DS. (05/2023 - 06/2023)
- Data Structures and Algorithms
- Object Oriented Programming
- Database Management Systems
- Problem Solving and Computer Programming

## ACHIEVEMENTS AND ACTIVITIES

- **5 Stars in C++ and SQL(HackerRank)-** Gold level
- **3 Stars in Codechef**
- **Rank 1639** in Leetcode
- **EAMCET rank 376**
- Sports captain in grade X

## CODING PROFILES

- **Leetcode:** tejaswi\_2505
- **Codechef:** tejaswi\_2505
- **HackerRank:** tejaswikarri2504

## POSITIONS OF RESPONSIBILITIES

- **Volunteer in Women Who Code Coding Community** (03/2023 – Present)
- **Senior Coordinator** of the club CBITMUN (05/2021 – 05/ 2022)
